PROFESSIONAL SUMMARY

Digital Business graduate with hands-on experience in digital marketing, social media management, website development, and visual design. Experienced in planning content, creating promotional assets, supporting website projects, and monitoring digital content. Combines creative execution with a business-oriented approach to digital communication and user experience.

EDUCATION

Telkom University Purwokerto | Bachelor's Degree in Digital Business
2022 – 2026 • GPA: 3.62/4.00

WORK EXPERIENCE

PT Fixcar Automotive Indonesia | Digital Marketing (Internship → Full-time)
Aug 2025 – Jul 2026

• Planned content calendars and managed Instagram publishing to support brand communication and promotional activities.

• Created social media visuals, Reels, and campaign content; supported Meta Ads and competitor research.

• Contributed to website structure and page development, basic SEO implementation, and content monitoring and evaluation.

SELECTED PROJECTS

KaryaOne HRIS | HRIS Application Development

- Developed an HRIS application concept and functionality covering employee records, attendance, leave, and payroll modules.

MaticSpeedShop Website | Website Development

- Built a service-focused website for an automatic-transmission specialist, presenting services, business information, and WhatsApp contact pathways.

Jobly | UI/UX Design

- Designed a mobile job-search application concept with job listings, employment-type categories, and a streamlined browsing experience.

Instagram Feed Design | Visual & Social Media Design

- Created social media layouts and promotional visuals with attention to visual consistency, readability, and brand identity.
